Filming and technical assistance rendered for feature
film & drama series adaptation of Kaiji Kawaguchi's
popular manga series “*The Silent Service*”

Omnibus Japan, including our in-house cinematographer Mitsuru Komiyama at TFC Plus/ OND ° was assigned to handle VFX technology and film editing of this project. The feature film attracted a great deal of attention because it was the first theatrical film produced by Amazon Studios in JP, and it became a topic of conversation the visitors from other countries came to see the filming site where the latest filming equipment was used. “*The Silent Service Season 1: The Battle of Tokyo Bay*,” the original drama series which also includes the story following the feature film is being distributed online since 2024. Continuing from the feature film, more than 40 staff members from TFC Plus and Omnibus Japan have provided technical assistance to the series. Furthermore, this drama series is only on Prime Video in more than 240 countries and territories worldwide, and its Japanese subtitled and dubbed versions were produced by Tohokushinsha Film Corporation.
